About the Mercedes-Benz Sprinter

The latest generation Sprinter is built in Germany by Mercedes-Benz, offering JetVan passengers the finest, safest and most reliable luxury.

Quiet and Smooth

True luxury transportation means a quiet, smooth ride that meets your highest expectations. Inside, aviation level sound deadening and noise isolation is engineered into every JetVan. Advance Mercedes-Benz approved suspension upgrade and chassis refinements ensure a comfortable ride regardless of road surface

The Ultimate Seating

Becker's proprietary orthopedic, electric lounge seating offers unmatched comfort and luxury. You and your passengers will enjoy a living room experience and arrive at your destination relaxed and refreshed

Ease of Entry and Exit

Guest of all ages step in and out of the Becker's electrically controlled side entry doors, comfortably and safely
