Blasian offers Wineries Transportation that strive to share the passion behind Arizona wine from the vineyard to your glass in our customized 8 hour wine tour of the Verde Valley.

Choose Blasian Wine Tours for your fully personalized wine tasting tour experience in Arizona's Verde Valley. The Verde Valley wine country includes Jerome, Cottonwood, Cornville, and Sedona.

Our wine tour rates include visiting four (4) wineries in the Verde Valley Wine Country. All of our rates include one wine tasting flight per location

What to wear

- Dress casual and comfortable. The goal is to have fun.
- Avoid shoes or clothes that make it difficult to easily enter and exit a limo or walk about.
- Consider a light jacket as a backup for cool evenings. Avoid white or colors that will easily show any possible wine spills or stains

Best tour months? – Book early! 4-6 weeks is not too early

- Spring, flower blooming months, are March, April, and May, book early.
- Spring Break weeks usually occur in March, book early. August is grape harvest time, book early.
- Fall festival months, October and November, book early.

Best tour days? We offer wine tours seven days a week.

- Holiday weekends - book early!
- **Saturday is the busiest tour day (consider Friday or Sunday for a tour alternative)**
- Tuesday, Wednesday, Thursday are least busy.
- Bring a camera - share the tour fun with friends and we will gladly help to get you in the shot, too. We love when you share your photos on social media or with us.
- All Wineries recommend avoiding perfume and cologne. It interferes with the tasting experience.
